

## Example 14 The Weyl tensor is conformally invariant

This example shows that the Weyl tensor is conformally invariant. That is, for a pair of metrics  $g$  and  $\bar{g}$  related by a conformal transformation,  $\bar{g}_{ab} = \phi g_{ab}$  then  $\bar{C}_{bcd}^a = C_{bcd}^a$  or equally  $\bar{C}_{abcd} = \phi C_{abcd}$ .
